*****MISSED BEHIND THE WHEEL***** If a student fails to complete any scheduled behind the wheel instruction without advance notice of 24 hours to the school, the student will be charged an additional \$30 for each such occurrence. The student must cancel 24 hours prior to the drive or student will be charged \$30.00 for a no-show. To avoid no-show charges, the student must give adequate advance notice to the school for the school to schedule another student to receive behind the wheel instruction during that same scheduled time period that is missed or is to be missed by the student. The accumulation of two no-shows will place the student into a pay prior to drive category (student will not be allowed to drive until the no-shows are paid.)
